

# What can you **drop**?

5 impertinent questions to  
help you **do what matters**  
and drop what doesn't

# Does it serve you?

Not everything on your slate pulls its weight. What difference does it make to you or the business? Does that difference justify the effort? Is it an inexplicable obligation that deserves to be ditched?

# Does it belong to you?

Something might be important, but not for you. Why are *you* the best person to do this? What could *someone else* gain from taking it on? Who are you inadvertently blocking? Get curious about who it benefits and whether they should own it instead.

# Is it still relevant?

Assumptions make the world go round. But old, outdated or untested ones can make that painfully slow. Is your task based on unhelpful assumptions? Is it a relic of the Before Times? Even if it got you here, will it get you there?

---

**IMPERTINENT QUESTIONS**

Are you clinging to an old  
version of yourself?

---

It's hard to let go of what made you. Be brave. What does this say about you? How does it impact your sense of self, or status, or place in the world? What do you fear you're giving up? Clear out the ghosts. Make space for new life.

Who would you be without it?

Get curious about who you might be if newly unencumbered, and how you might feel. Lighter and more open? Or missing a metaphorical organ? Or might you feel that that you finally have the space to find out?
